# TEAM LINE COLLEC- TION

The Team Line is a selection of swimwear, sportswear and accessories tailored for swim clubs, leveraging the brand's expertise on providing athletes with the best performance gear for their training in and out of the water.

The brand new edition of the Team Line includes a wider range of sports apparel that celebrates the athletes journey beyond the pool, establishing arena as the partner of choice for the swimmers that want to get the best out of their efforts in the dryland.

arena Icons represents the premium offering of both swimwear and sportswear sides of the Team Line, celebrating arena heritage with pride and authenticity, while promoting the visibility of the timeless team stripe and arena logo to embrace all competitive swimmers into one pulsing community.

# TECHNOLOGIES

**MAXLIFE ECO** 100% POLYESTER, of which 51% to 53% is recycled.

MaxLife ECO is the evolution of arena's premium fabric dedicated to regular and intensive swimmers, delivering maximum resistance to chlorinated water. While keeping the same benefits as the standard fibres used in the original MaxLife, its new ecological version features more than 50% recycled polyester, obtained from PET Bottles and produced with a circular approach that helps saving energy consumption, CO2 emissions and water usage during the process.

This highly sustainable fabric is the result of almost one year development and several 200 lab trials. Its construction is based on specifically engineered PE yarns, that provides very good elasticity and combines excellent fit with power retention performance. Additional features include quick drying and 50+ UV protection rate.
